Dear Mr. Pham:

Congratulations! You have been selected by the Council of Graduate Program Directors as a recipient of the Graduate School Moreau Fellow Award. It is the feeling of the Council that you represent one or more of the Congregation of Holy Cross Charisms in a manner that exemplifies the leadership of the Congregation's founder, Blessed Basil Moreau.

Please plan to attend the Graduate School Commencement at 1:00 p.m. on May 1, 2010 in the Chiles Center, University of Portland campus. The award and a check for \$250 dollars will be given to you during the course of the ceremony. Additional directions will be provided when you are in the robing area just before the ceremony. Your name has also been engraved on a perpetual award plaque that hangs in the Graduate School and it will be listed on the Graduate School website.

Please know of our pride that you are one of the two inaugural recipients of this award. May the award always remind you of the values of the University and Congregation of Holy Cross and may you use your graduate degree leadership skills to advance those values in the world.

Again, congratulations.

Sincerely,

Thomas G. Greene, Ed.D.
